I ASK FOR :

1) DESCRIPTION

PC "WORD" text (TE19980129) replacing Atari text (TE980129)

The text (TE980129) sent on 04 November 1999 was an Atari "LE REDACTEUR" text of which the format was different from "WORD" format now used.

The new (TE19980129) text is exactly the same text but has a slightly different format.

New cancellations (two vertical lines in margins and twice bracketed words), pages :

- 1 - cancellation of "State of the former art";
- 2 - cancellations in "Parabolic membranes" and "Magnetic dipole";
- 3 - cancellation of "figures 14, 15, 27, 40, 41";
- 10 - cancellation of "Sixth preferred implementation";
- 11 - cancellation of "Protecting membrane" and lines 34 and 35;
- 12 - cancellation of lines 1 and 2, 12 and 13, 18 and 19, 33 and 34, and discrete cancellations, lines 3, 4, 5;
- 15 - cancellation of line 11;
- 16 - cancellation of lines 8 to 19 and lines 23 to 25;
- 17 - lines 8 and 9 no canceled.

Minor indexes errors are corrected.
